

Washroom Accessories for Heavy Traffic Applications

Sports Stadia and Arenas

Public Transport Hubs

Convention Centres

Shopping Precincts and Theatres

Amusement Parks

BUILDING VALUE SINCE 1906

Heavy Traffic Environments

High Capacity and Extreme Durability

Typically, these are public access buildings where large crowds require the use of washroom facilities, over short periods. In this case, washrooms and the accessories within them have to withstand extremely high usage. Durability and extra-large capacities become essential design considerations and vandalism and abuse can be expected.

Bobrick's stainless steel accessories and partitions are designed for these applications. They offer performance, reliability and high capacity, as listed on the next page.

Bobrick's Global Heavy Traffic Projects

Sports Stadia & Arenas

Lusail Multipurpose Hall, Qatar • Maracanã Stadium, Brazil • **National Arena, Romania** • O2 Arena, Germany • 49ers Levi's Stadium, USA • Estadio Juan Ramon Loubriel, Puerto Rico

Transportation Hubs: Airports

Dubai International Airport, UAE • Hamad International Airport, Qatar • **Indira Gandhi International Airport, India** • Los Angeles International Airport, USA

Convention Centres

National Convention Center, Qatar • McCormick Place Convention Center, USA • Convention & Exhibition Centre, Hong Kong • Sun Atlantis Convention Centre, Bahamas

Shopping Precincts and Theatres

ION Orchard Shopping Center, Singapore • Iguatemi Campinas Shopping Center, Brazil • WestEnd City Center, Hungary • **Barwa Commercial Avenue, Qatar*** • Bahrain City Centre, Bahrain

Amusement Parks

Disneyland, worldwide • Oceanário Aquarium, Portugal • Regency Casino Thessaloniki, Greece • **City of Dreams, China*** • Legoland California, USA

Maracanã Stadium, Brazil

Projects in **Bold** pictured on cover.

Heavy Traffic Models

Soap Dispensers

- B-306 Recessed
- B-822 Counter Mounted
- B-2111 Surface Mounted

Mirrors

- B-290 Channel Frame
- B-293 Fixed-Position Tilt

Combination Paper Towel Dispensers and Waste Bins

- B-39747 Recessed Auto Roll Towel
- B-39617 Recessed Manual Roll Towel
- B-3947 Recessed Folded Towel

Paper Towel Dispensers

- B-29744 Recessed Auto Roll
- B-2974 Surface Mounted Auto Roll
- B-262 Surface Mounted

Waste Bins

- B-3644 Recessed
- B-275 Surface Mounted
- B-2250 Floor Standing Swing Top
- B-2300 Floor Standing Dome Top
- B-2400 Floor Standing Funnel Top

Warm Air Hand Dryers

- B-750 Recessed
- B-7120 Surface Mounted 100mm Projection
- B-770 Surface Mounted High-Speed

Baby Changing Stations

- KB200 Surface Mounted Plastic
- KB200-SS Surface Mounted, Stainless Steel Veneer
- KB102 Surface Mounted Child Protection Seat

Toilet Partitions

- 1080, 1180 Solid Phenolic
- 1090 Solid Color Reinforced Composite

Toilet Tissue Dispensers

- B-386 Partition Mounted Dual-Sided
- B-27313 Surface Mounted Triple Roll
- B-2890 Surface Mounted Single Jumbo Roll

Sanitary Waste Bins

- B-353 Recessed
- B-354 Partition Mounted
- B-254 Surface Mounted
- B-3541 Surface Mounted Bag Dispenser

Grab Bars

- B-5806 32mm Diameter
- B-6806 38mm Diameter
- B-4998 Swing-up

Shower Accessories

- B-6107 Heavy-Duty Curtain Rod
- B-6047 Extra-Heavy-Duty Curtain Rod
- B-5181 Reversible Folding Shower Seat

Hamad International Airport, Qatar

Architects, developers and facility managers have selected Bobrick's performance-engineered restroom accessories with confidence for more than a century. As the market leader, we deliver building owner value through design excellence, compliance, sustainability and economical cost-in-use.

DURABLE

Robust engineering and built-in maintainability are the standards for Bobrick restroom accessories and Koala products, providing life-of-the-building functionality with appropriate maintenance. Reduced repair and replacement costs also deliver a positive impact on the operating budget.

COMPLIANT

Our products are engineered to meet the latest accessibility requirements including wall protrusion, mounting heights, reach ranges and operation. Bobrick also provides detailed consultation on compliant product selection and installation. Bobrick/Koala meet ADA-ABA, ICC/ANSI, ASTM, EN.

ECONOMICAL

Cost-in-use savings are also trademarks of Bobrick restroom accessories. Products are designed to control soap and paper towel usage, reduce labor and maintenance expense, and to be vandal-resistant. Savings calculators, available online, confirm the substantial savings and return on investment.

DESIGN

Three design-integrated series of accessories include ConturaSeries™ for prestige properties, TrimLineSeries™ for up scale buildings and ClassicSeries™ for standard use and heavy-traffic projects. From Class A to education and healthcare, recessed and surface-mounted, we have your design.

HYGIENIC

Bobrick is at the forefront of the touch-free commercial restroom with automatic models to limit cross contamination. Our stainless products are easy to maintain and sanitize through regular cleaning. Microban™ Antimicrobial protection is a Koala™ baby changing station exclusive.

SUSTAINABLE

Accessories fabricated of 50%–70% post-industrial stainless steel contribute toward LEED certification. Soap and towel dispensers are engineered to reduce consumables usage eliminating the need for proprietary towels and soap cartridges, thereby reducing the operating footprint of a given building.

FREEDOM

Non-proprietary dispensing of universal paper towels and bulk soap help building owners escape the high prices of consumables contracts common to closed system products. This facilitates open-market procurement and the ability to take advantage of a large variety of soap and towel options.
